# BECAUSE YOU DEMANDED IT...AGAIN

My goodness, how time flies! Unless my memory is as sharp as a thought balloon, it was exactly one year ago that I was allowed time out of my cage...er...desk. In order to introduce myself to all you fabulous readers out there in the BOOM Kids! editorial page, I remember October 2009 as a good time to be an assistant editor. I got to help launch the portion of our comics line that starred Mickey Mouse, Donald Duck, Uncle Scrooge and the other classic Disney characters; I got to put a picture of myself in bubblehead form in a nationally published magazine; I found out the secret to why Goofy and Pluto are both dogs, but only one wears pants and drives a car! Okay, one of those is completely untrue, but it was a great time nonetheless. We here at BOOM Kids! have grown a lot over these past 12 months (we can barely fit through the office doors anymore) and

now I get the chance to play full editor for some extremely exciting and extraordinary projects that we'll be rolling out over the next 12 months (see what I did there?). Starting things off will be the December launch of our next title in the Disney Afternoon *Rescue Rangers*! Still, *Rescue Rangers* recovered from your *Darwing Duck* fueled hysteria! Well, too bad because right on the heels of the bestselling "Duck Knight Returns" comes another guaranteed hit starring the most lovable puny private eyes of all time in a story we call "Worldwide Rescue!" The whole *Rangers* crew is back in the saddle and ready for the ride of a lifetime. That means it's Chip, Dale, Zipper, Monterey Jack, and of course Cuddlet, coming to you every single month in original, brand spanking new adventures courtesy of MARVEL

SUPER HERO SQUAD artist Leonel Costellano and a familiar face in *DARWING DUCK* writer Ian Brill. These capable hands are sure to have you hooked for the long haul. Do you think I would have hired them if they couldn't? That's all for me folks, my hearts beating with anticipation, and I'm the one who gets all the sneak peeks! So stay tuned folks, as that's the first of many major announcements that are on the way. Take care and see you next month! I'll be back!
